Dear Sirs,

I hope you have taken  
my letters in careful  
consideration. All the  
things I have said are  
true and I have more.  
Check's and mine plan  
of assassinating President  
Johnson, his wife and  
Children

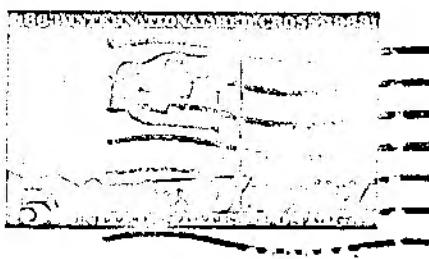

First we will get  
the children then  
the wife then the  
President himself. I  
wouldn't use the  
Secret Service to  
guards the Johnson's  
creeps.

Good luck in  
tryong to catch us.

Yours truly  
Sam Gandy
